

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,  
I OBJECT to the definition of "inordinate amount" which restricts the availability  
and the right to obtain medically necessary compounded medications by limiting  
the number of prescriptions that can be shipped across state lines from specialized  
compounding pharmacies.

COMMENTS: Compounded medication from Madison Pharmacy Assoc  
has greatly enhanced our health <sup>+ helped us fight</sup> ~~and~~ both infertility  
and <sup>symptoms of</sup> menopause. Faithann has used compounded natural  
hormones (unavailable from local pharmacies) to prevent miscarriage  
& Georgie has used them to maintain good health during &  
after menopause. We ~~also~~ object to the definition of  
"inordinate amount" contained in the FDA's MOU.  
We believe any limitation of the services Madison  
Pharmacy Associates, a specialized pharmacy <sup>provides</sup> would  
seriously compromise the quality of our ~~lives~~ lives.
